NEXUS

Flow of Innovation

Balancing & Control

Automatic Flow Control Valves, Pressure Independent Control Valves, Manual Balancing Valves, Coil Piping Packages, Heat Pump Hose Kits, Flexible Connectors, Unions, Isolation Valves, Strainers, Flushing Bypass Kits, and Hydronic Specialties

Flamco

Hydronic Efficiency

Automatic Air Vents, Air & Dirt Separators, Expansion Tanks, Hydraulic Separators, Fill Valves & Backflow Preventors, and Vacuum Deaerators

Pre-insulated Piping Systems

Pre-insulated Piping Systems for Steam, Condensate, Chilled Water, Heating Water, High Temperature Hot Water, Cryogenics, Jet Fuel, Solvents, and Oil

ADVANCE
PRODUCTS & SYSTEMS, LLC

Cathodic Protection, Corrosion Prevention and Safety

Innerlynx Link Seals, Wall Sleeves, Flange Isolating Gasket Kits, Flange Band Protection, Pipe & Conduit Spacers, Pipe Supports, and Leak Detection

Water Treatment

X100 Inhibitor for Protecting Closed Loop Hydronic Heating Against Limescale and Corrosion, X200 Noise Reducer a Non-acid, Leave-in Treatment for Boiler Noise, X300 System Cleaner for New Heating Systems, X400 Cleaner for Older Closed Loop Hydronic Heating Systems, X500 Inhibited Antifreeze for Protecting Closed Loop Hydronic Heating Systems Against Limescale, Corrosion and Freezing Temperatures

Hydronics, Simplified
